### Stower

Amazon.com - Rugeley  
April 2016 to Present

I started my contract on Outbound department where I picked the customer orders from the warehouse while making sure to respect the guidelines. During the years I complete several trainings for packing, indirect tasking and also problem solving.

After three years I was transferred on Inbound department. During this period I was required to stow received items in assigned section.

Currently, I am a cart runner, where my responsibility is to different sections from the warehouse for a better work flow.
